Reference: Pending Opposition No. 91214528

The Registrant, Earl C. J. Prater, would like to request of the Trademark Trial and Appeal Board a 60 to 90 day extension for Opposition pending action No. 91214528 for the following reasons:

There are now currently two cancellation actions and one opposition action against the Registrant by the Attorney for the Petitioner, Shirley's World L.P., for cancellation pending numbers 92057484 and 92057506 for which a 60-90 extension request was recently submitted February 13, 2014, due February 20, 2014. We are now requesting a 60-90 day extension to respond to opposition pending number 91214528 due February 26, 2014. Given the unfortunate and untimely death of Shirley Temple Black February 10, 2014, this matter presents a unique situation requiring additional evaluation for which we are in the process of seeking, obtaining and conferring with legal counsel to properly prepare, coordinate and submit our Initial Disclosure Documents for two pending cancellation actions and one opposition action given this recent and unexpected event.

The Registrant hereby respectfully requests an extension of 60 to 90 days to obtain and confer with legal counsel to properly prepare and submit our response to Opposition pending action No. 91214528.

Certificates of Service through the U.S. Postal Service will be submitted directly to the USPTO Trademark Trial and Appeal board Interlocutory Attorney Mr. Robert Coggins and Attorney Ms. Jackie Joseph for the Petitioner, Shirley's World L.P.
